MARK PATEL

markpatel044@gmail.com | +91 7043999134 | https:// www.linkedin.com/in/patel-mark-7b813928b/

Summary

AI/ML focused CS Student who has made injury & performance prediction model with proper ETL pipeline,Yolov8-based traffic control System, and interactive analytics dashboard.Skilled in Python,SQL,streamlit – actively exploring RAG agents and vector databases.

Skills

- **Languages:** JavaScript, C, C++, Python, SQL
- **Backend:** FastAPI,Node.js
- **AI/ML:** Pytorch,Apache Airflow,SnowFlake,ETL pipeline
- **Databases:** MongoDB,PostgreSQL,PineCone
- **Tools & Platforms:** GitHub, VS Code, Blender 3D, Figma, Jira, n8n,Docker
- **Core Concepts:** DataBase Management System,Data Structure & Algorithms

Experience

React Intern at SparkstoIdeas **May'25-June'25**

Build an attractive user Friendly interface web application for SPA booking using react.js and tailwind

Projects

SmartCity360 **Sep'24**

- Served as Project Leader by coordinating development, reports and to smoothly manage the Project flow.
- Where my role is in Supabase backend, including database schema,image storage buckets and secure access control.
- Integrated real-time complaint data flow between the mobile app and admin dashboard.

Football Analysis **Nov'25**

- Preprocess the data using queries also generated synthetic data and then store it into the data warehouse.
- Build ML models for predicting the performance and injury risk.
- After training store the output in the database so we can display the results in the streamlit App using fastapi endpoints**.**

Smart Traffic Management **Feb'26**

- Build AI-based traffic system using Yolov8 for class-wise vehicle detection and counting,
- Built an XGBoost model to predict optimal traffic signal timing with the help of provided data
- Integrate SUMO simulation on our streamlit web dashboard to visualize the traffic flow.

Education

Charusat University of Gujarat, India **2023 - 2027**

- Computer Science & Engineering | Current CGPA: 9.10

St. Francis of Assisi Convent High School, India **2022 - 2023**

- *Class XII,Percentage: 79.85*

St. Francis of Assisi Convent High School, India **2020 - 2021**

- *Class X,Percentage: 77.67*

Academic and Extracurricular Achievements

- **Top 10** in 60 teams in **Internal Hackathon'24** For **SIH – 2024 & 2025**
- **Third** Rank in **class XII Boards** in School.
- **5 star** Coder in C++ **HackerRank** Platform**.**
- **Top 5%** in **NPTEL DataBase Management Course.**
- **Runners-up** in Kabaddi at Inter-college.
- **IBM Machine Learning** Professional Certificate Coursera, 2025
